Club Details

Year-2023

Club Name:

Media and Photography Club

Mission Statement:

The Media and Photography Club is dedicated to fostering creativity, collaboration, and artistic expression through various forms of media and photography. Our mission is to provide a platform for students to explore and enhance their skills in visual storytelling, photography, videography, and digital media production.

Club Overview:

The Media and Photography Club is a dynamic and inclusive community of students passionate about the world of media and photography. Whether you're a seasoned photographer, a budding filmmaker, or simply someone interested in the art of visual storytelling, our club offers something for everyone. Now in the advent of new media culture, students can nurture the creativity and skill of photography, content creation, documentary production and as well as film making.

This club is currently running by 37 members including 9 panel members and 2 faculty in charge. This club is actively working on these students to bring them up in the wider limelight by doing various training, workshops and industry collaborations.

Activities and Events:

With a vision to incorporate the artistic mind and creativity among the students we are working on the following activities:

1. **Photography Workshops:** We regularly host workshops covering a wide range of photography techniques and styles. From portrait photography to landscape and night photography, our club members have the opportunity to learn and practice various aspects of photography.
2. **Film Screenings:** We organize film screenings to showcase the work of our members and other notable filmmakers. It's a chance to appreciate and discuss the art of cinema.

3. **Photo Walks:** Explore the beauty of our campus and surrounding areas through organized photo walks. It's a great way to bond with fellow photographers and capture captivating images.
4. **Guest Speakers:** We invite experienced photographers, filmmakers, and media professionals to share their insights and experiences in the industry.
5. **Annual Exhibition:** Each year, we host an exhibition to display the best works of our members. It's an opportunity to showcase your talent to the campus community.
6. **Media Production:** For those interested in video production and editing, we offer opportunities to collaborate on short films, documentaries, and creative video projects.
